

**Wachusett Watershed Regional Recycling**  
is encouraging residents to harvest and save rainwater by offering  
**The Great American Rain Barrel at 35% Off retail.**

### **REASONS WHY YOU SHOULD PURCHASE A RAIN BARREL**

- One rain barrel can pay for itself in one season.
- Rainwater has no chemicals, chlorine or fluoride – great for plants and lawn.
- Rain Barrels help Towns manage water supplies and storm water runoff.
- At least \$200 of precious rain water splashes off a 1000 sf roof in a season
- Help stressed trees and gardens during dry spells. *In 2016, 48% of towns in MA had water bans.*
